

25. Completion (Graduation) and Transfer-out Rates (Including Disaggregated Completion/Graduation Rates)

Graduation Rates for Kenrick-Glennon School of Theology

Data are collected on the number of students entering the institution as full-time, first-time, degree/certificate-seeking undergraduate students in a particular year (cohort); the number completing their program within 150 percent of normal time to completion; and the resulting percentage is calculated.

2009-2010	2010-2011	2011-2012	2012-2013	2013-2014
75%	59%	75%	64%	60%
2014-2015	2015-2016	2016-2017	2017-2018	2018-2019
73%	82%	53%	69%	61%

Kenrick-Glennon Seminary does not disclose disaggregated rates (rates separated according to gender, race, or recipients of federal aid) because its numbers are so small. This is in accordance with the text on p. A-23 of the Report of the National Postsecondary Education Cooperative, *Information Required to Be Disclosed Under the Higher Education Act of 1965: Suggestions for Dissemination*: “Disaggregated rates are to be disclosed only if the number of students in each group is sufficient to yield statistically reliable information and not reveal personally identifiable information about an individual student.”

Transfer-Out Rate

Transfer-Out Rate means total number of students who are known to have transferred out of the reporting institution within 150% of normal time to completion divided by the adjusted cohort. A transfer-out student is a student that leaves a reporting institution and enrolls at another institution.
