

26. Placement in Employment

“Institutions must make available to current and prospective students’ information regarding the placement in employment of, and types of employment obtained by, graduates of the institution's degree or certificate programs” (p. A-26, Report of the National Postsecondary Education Cooperative, *Information Required to Be Disclosed Under the Higher Education Act of 1965: Suggestions for Dissemination*).

The mission of Kenrick-Glennon Seminary is to prepare men for the Roman Catholic priesthood in their home diocese.

Almost all men who graduate are ordained to the priesthood and assigned as a parish priest in their home diocese. These rates are as follows:
